Louisiana Department of Health Office of Aging and Adult Services

Dear Applicant:

Attached is an application for the Permanent Supportive Housing (PSH) Program.

What is PSH?

PSH is a program offering subsidized rental apartments and supportive services for people with long term disabilities who have experienced difficulty living successfully in the community and are at risk of homelessness or institutionalization without supports. Housing supports include things like reminders to pay rent, help arranging medical appointments, and other support services. Only people with disabilities who need these types of supports are eligible for PSH.

What are the PSH Requirements?

To be eligible for PSH, your household must: (1) include a person who has a disability and is currently receiving Medicaid services or Ryan White Services, (2) need housing supports offered by PSH, and (3) be very low-income.

How do I apply if I think I am eligible?

Complete the attached application; please note:

- Reasonable accommodations will be made in completing applications. For assistance in completing an application please call 1-844-698-9075. TTY users should call 1-800-220-5404.
- While we hope you answer all the questions, we can begin processing your application as long as you answer all of the questions that have an asterisk * next to them. Eventually you will need to answer all questions and provide documents verifying your answers. **Preference documentation may be required with application** (see page 9).
- You cannot be found eligible for PSH or offered a housing unit until we have a completed application. Although income verifying documents are not required to submit this application, applicable income documentation is required for all household members to receive a unit referral and will be requested at a later date.
- It must be verified that you are in need of the supports offered through PSH. Please complete the "Permanent Supportive Housing Eligibility" section (pages 5 & 6) in this application.

Where do I send my completed application? Applications will not be accepted in person.

INSTRUCTIONS FOR COMPLETING THIS FORM: All information except your signature should be printed clearly in ink, preferably black, or typed. Fill in all boxes that apply to you. **Box 1:** Indicate whether you are a citizen of the United States of America. Indicate whether you will be 18 years of age on or before election day.

Box 2: Provide full name. Do not use initials for middle or maiden name.

Box 3: 'Residence Address' means the address where you live and are registering to vote. If you claim a homestead exemption, you must list the address of that residence. Do not use a post office box for your 'Residence Address'. If you use a rural route and box number, draw a map in the space labeled 'Give Location.' Write in the names of the crossroads (streets) nearest to where you live. Draw an X to show where you live. Use a dot to show any schools, churches, stores or landmarks near where you live and write the name of the landmark. Check the box provided if mail is not delivered to your residence address by the post office. Complete 'Mailing Address' only if it is different from the 'Residence Address' or if mail is not delivered to your residence address.

Boxes 5 & 13: You must provide your LA driver's license number or LA special identification card number, if issued. If not issued, you must provide at least the last four digits of your social security number, if issued. The full social security number may be provided on a voluntary basis. If neither a social security number nor a LA driver's license number or LA special identification card number has been issued, and this form is submitted by mail, and you are registering to vote for the first time, in order to avoid additional identification requirements for first time voters, attach either a) a copy of a current and valid photo identification or b) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows your name and address.

Boxes 7, 11 & 12: The items 'race/ethnic origin', 'email' and 'phone' are not required but are helpful. Email is protected from disclosure by law.

Box 8: If you do not complete this item, your party affiliation will be listed as 'no party', unless you are presently registered with a party affiliation and no change is being made today. If you are not registering with a political party, circle 'no party'. The recognized political parties are Democrat, Green, Libertarian, Reform and Republican or you may specify any other party affiliation.

Box 17: If you are using this form to request a change of name, you must print the name to be changed

here. **Box 18:** Date and sign the card with your signature or mark.

If returned by mail, place in an envelope and mail to the appropriate registrar of voters at the address found on the reverse side of this card. If you have not been issued a social security number or Louisiana driver's license number, you must mail the required documentation with your application. Your application or envelope must be postmarked 30 days prior to the first election in which you seek to vote based on the residence listed on this application.

NOTE: 1. If you decline to register to vote, this fact will remain confidential and will be used only for voter registration purposes. If you register to vote, the office where your application was submitted will remain confidential and will be used only for voter registration purposes. 2. Your social security number will also remain confidential and is intended to be used for voter registration purposes only.
